Try to book either in Porthcurno valley itself, or on the road to St Levan, or between Treen & Sennen. Any further out requires a drive to and from the theatre that you might regret.

If in doubt ASK Clare and Wes! They know the area like a second home

What to bring and the weather!!

Your costumes – they will be issued before we leave London. They will be your responsibility to get them to the Minack. It is a long way if you have forgotten anything!

The weather

It always rains on the first weekend - you will get wet!

- Wellies / Walking shoes
- Waterproofs
- Fleeces

It can be freezing cold at night - you may get frost bite!

- Thermal underwear for under costumes where you can.
- Things to put on after the show to warm up after gloves, boots, etc.

You may get sunburnt!

It can be boiling hot during the day particularly at matinees.

- Sun hat
- High factor sun cream
- Wet suits
- Swim wear

What is available locally - Very little!!

You can get a few basics in the village eggs, milk, newspapers, souvenirs and a good cream tea, but for any more substantial shopping it is a drive back towards Penzance to the nearest Boots / M & S therefore if you have forgotten your big knickers, false eyelashes or thermal bloomers it is a bit of a trek.

Food Shopping

Tesco have a great on line delivery service in the area, book a delivery for when you arrive and one mid week or you have to drive approx 25 mins to the nearest Tesco back at Penzance. There are some great pubs for lunch.

Contacting each other.

The mobile phone service in Porthcurno is terrible (so is wi-fi)! Always good to arrange to meet rather than rely on the phone service.
